

2017 Professional Development Program Calendar of Events

CEAV Institute provides the 2017 professional learning schedule to help members maintain their competency as career practitioners through continuing professional development (CPD). All CEAV professional learning programs are mapped to the CICA and APST Standards.

PEDAGOGY

professional knowledge that informs your career education programs and delivery

PROFESSIONALISM

the competencies and skills that underpin your professional practice

PRACTICE

the career development tasks, activities & networking that contribute to effectiveness of your careers service

The CEAV Institute Course and Professional Development Guide provides a detailed description of each event and is available on the website. This is also where you can register for any of the listed events. www.ceav institute.edu.au or www.ceav.vic.edu.au

CPD requirements:

Associate Members: 15 hours of CPD across all CICA competencies. **Professional Members:** 30 hours of CPD across all CICA competencies.
