

Credit Transfer Application Form

CEAV Institute's CHC81315 Graduate Certificate in Career Development Practice has been endorsed by CICA who is the peak body for Career Practitioners. This qualification includes the CICA competencies and standards for Career Practitioners.

To protect the integrity of their course, CEAV Institute may provide Credit Transfer for some units of competency only. This is because a CHC81315 Graduate Certificate in Career Development Practice issued by another RTO, may not have CICA endorsement.

Please refer to the list of units of competency in the table below to check which units of competency Credit Transfer will be granted.

Please note that Credit Transfer will be granted for up to 3 of the listed units of competency only. Credit Transfer will not be granted for units of competency that are not on CEAV Institute's scope of registration.

Credit Transfer WILL NOT be given for the following units of competency:

BSBLED808

CHCCSL002

An administrative fee of \$60 per unit of competency will be applied for each Unit of Competency approved. You will be issued with a revised Statement of Fees and deducted the amount of the unit cost for each unit for which Credit Transfer has been approved.

For further information refer to CEAV's National Recognition and Credit Transfer Policy and the CEAV Institute Student Handbook.
